

MEMO TO INVESTORS

Agence UMOA-Titres brings to the attention of all the WAEMU securities market actors that the debt auction calendar for the fourth quarter of 2018, is available.

It shows that the issuance overall volume for the fourth quarter of this year is estimated at Francs CFA 730 billion, distributed as follows:

- Francs CFA 365 billion of T-Bills and;
- Francs CFA 365 billion of T-Bonds.

Agence UMOA-Titres makes at your disposal, through its website www.umoatitres.org, all relevant information on the Union government debt securities and also publishes, daily, news on the public debt market through its social media named "UMOA-Titres" on Facebook, Twitter and LinkedIn.
