
INVESTOR NOTICE

UMOA-Titres hereby informs all stakeholders in the WAEMU Government Securities Market that the issuance calendar for government securities for the second quarter of 2026 is now available.

For this quarter, planned issuances amount to a total of XOF 3,076 billion, which broke down as follows:

- XOF 1,050 billion in Treasury
- XOF 2,026 billion in Treasury Bonds

All information relating to government securities issued by the Union states is available on the UMOA-Titres website (www.umoatitres.org). Market participants are encouraged to follow daily updates on the government securities market through the website and via UMOA-Titres' official social media channels (Facebook, Twitter, and LinkedIn).
